Purchase orders can be forwarded to purchaseorders@t2systems.com

Quote is developed in conjunction with the applicable Statement of Work. If any billing term language conflicts occur, Standard Billing Term section in Statement of Work document takes precedence.

Upon signature by Customer and submission to T2 Systems Inc., this Quote shall become legally binding. By signing and submitting this Quote, Customer expressly agrees and acknowledges that all products and services purchased by the Customer pursuant to this Quote shall be governed exclusively by the terms and conditions set forth in this Quote, the terms of which can be found at https://www.t2systems.com/terms-conditions/ (the "Terms and Conditions"), subject to the terms of any applicable existing MSA or other written agreement between Customer and T2 Systems that expressly take precedence over the Terms and Conditions. By signing and submitting this Quote, Customer represents and warrants that the signatory below has the authority to bind Customer to the terms of this Quote and that Customer has had the opportunity to review the Terms and Conditions.

Quoted pricing is based on current applicable tariffs, import/export duties, surcharges, taxes or similar fees ("Tariffs"). In the event any governmental authority enacts or imposes new or additional Tariffs that increases the cost of goods, materials, and/or services provided for under this Quote, T2 reserves the right to adjust the pricing on this Quote to reflect increased costs.
